

# WHAT'S INCLUDED?

*The Nature Explore Families' Club Kit contains everything you need to start and maintain a club of your own including:*

## **General Information**

*A concise description of the program to share with others.*

## **Facilitator's Guide**

*Overall information and tips to help you get your group off to a great start.*

## **Announcement**

*An information sheet to introduce the Nature Explore Families' Club. This customizable sheet can be placed in a newsletter and/or sent home to families.*

## **Registration and Photo Release Form**

*A customizable sheet to send home for families to sign up for your club.*

## **Monthly Flyer**

*A customizable sheet to let families know about details for the upcoming events and books to read at home to enrich each activity.*

## **Press Release - Media**

*A sample press release to send to the media to announce your Families' Club to the community.*

## **Sign-In Roster**

*A form to keep track of attendance and contact information for each family.*

## **Adventure Activities and Facilitator's Notes**

*A visual activity sheet for each month's adventure along with tips for facilitators to make planning easy and fun! These research-based activities have been designed to support whole-child development and positive connections with the natural world.*
