[Name of program] is proud to be a Certified Nature Explore Classroom and part of a growing network of nearly 600 programs dedicated to helping children experience the natural world as an integral part of learning. We have a deep commitment to supporting children's connection with nature through our outdoor classroom, professional development for our teachers, and opportunities for family engagement.

[Share program's story].

Our program offers interactive, open-ended materials and features that allow children to enrich their creativity, imagination, and initiative. Research consistently shows that children who learn and grow in a Certified Nature Explore Classroom exhibit enhanced concentration, develop creativity and problem-solving techniques, manage stress in healthy ways and develop skills across the spectrum of academic and creative learning.
